November 2024

RESEARCHERSnewsletter.

National and International Funding Opportunities, Seminars, Symposia, Events, Announcements, and Job Openings

Dear all,

in **2025**, there will be important changes regarding the funding of **Open Access publications**. In order to receive funding, publications resulting from *DFG* projects **must** include the **project number** (*see your grant notification*) in addition to the reference to *DFG* funding.

This also applies to Open Access publications from **DEAL contracts** with the publishers Springer Nature, Wiley, and Elsevier. We will inform you separately about further changes.

In this newsletter, you will find information on

please note: "ENG" = event language is English; "GER" = event language is German

UPCOMING seminars and symposia.

UPCOMING conferences, workshops, events.

ANNOUNCEments.

JOB openings.

[FUNDING options.](#)

*click the button to view this month's **Funding Options**.*

If you wish to submit an entry for the **Researchers Newsletter December 2024**,
please submit it to forschung.um@uni-mainz.de by **November 20th 2024**.

UPCOMING seminars and symposia.

UMC:

- **Virtual Seminar by FORSCHUNGSDATEN@RMU: ‘Daten über Daten’ (GER)**
There will be short lectures about the correct way of creating, interpreting and management of data. Additionally, you will gain insight into proper publication and annotation in research projects.
The event is free. The schedule and registration form can be found [here](#).
When: November 07th 2024, 09:00 a.m. to 01:30 p.m.
Where: online seminar
For further information or upcoming questions please contact forschungsdaten@uni-mainz.de.
- **TRR 355: “Heterogeneity and functional specialization of regulatory T cells in distinct microenvironments” seminar (ENG)**
Prof. Markus Feuerer (Leibniz Institute for Immunotherapy, Regensburg, Germany) will give a talk entitled, “Tissue located regulatory T cells: from basic research to engineered applications”.
When: November 12th 2024, 03:00 p.m.
Where: seminar room of the microbiology department, TUM-MRI or online via our seminar series channel: <https://bbb.rlp.net/b/gah-7vr-sac-4xk>

IMB:

(2nd Floor Seminar Room, Ackermannweg 4, JGU Campus, unless noted otherwise)

- **„Das Uhrwerk des Lebens: Wie die Medizin den Code des Alterns entschlüsselt“ (GER)**
The lecture held by **Dr. Ulrich Bahnsen** (scientific journalist at *DIE ZEIT*) will focus on aging processes and how they can be influenced and controlled by current epigenetic therapies.
The event will be free of charge, but registration is mandatory and can be done [here](#).
When: November 12th 2024, 06:00 p.m. to 08:00 p.m.
Where: onsite at IMB

WORKSHOPS organized by JGU Human Resources Development:

please note that there are registration deadlines in place

[Here](#) you will find a complete list of all training and workshops offered in 2024-2025.

Please consult the [FZI google-calendar](#) regularly for the
latest seminar announcements from the [FZI](#), [IMB](#), [TRON](#), and others.

UPCOMING conferences, workshops, events.

by location and date

Rhine-Main Area:

- **NeuroForum Frankfurt 2024: ‚Kopf und Kompass – wie funktioniert Orientierung?‘ (GER)**
There will be a conference with **Prof. Dr. Christian Doeller**, **Prof. Dr. Anna Gorsler** and **Prof. Dr. Armin Nassehi**, discussing the mental and social challenges that come with the mind’s and body’s unavoidable adaptation to technology and how we are able to orientate ourself within the process of change.
The event is free of charge. Registration is necessary and can be done [here](#).
When: November 11th 2024, 07:00 p.m.
Where: Goethe University Frankfurt - Casino, 60323 Frankfurt a.M. (see [map](#)).

Online:

- **Falling Walls Science Summit 2024**
‘Engage in and inspired by thought-provoking discussions that shape the future of science and global progress: connect, collaborate, and be part of the solutions that break down barriers in science.’
Registration is mandatory and tickets are needed. Both can be found [here](#).
When: November 07th-09th 2024
Where: Hybrid-Event: Berlin and online

Germany and abroad:

- **Workshop: ‘Forschungsdatenkooperationen zwischen Wissenschaft und Wirtschaft ermöglichen’ (GER)**
The DFG is inviting **post-doc’s** from, preferably, Germany for a workshop about **data-sharing** between the sectors of science and economy and **possible cooperations** for research projects between the researchers and the DFG.
The workshop is free of charge. Registration is necessary and there is a max. capacity of 40 people.
If you are interested, you need to pronounce your interest till **December 6th 2024**.
Further information can be found [here](#).
When: February 20th 2025
Where: Quadriga-Forum, Berlin
-

ANNOUNCEments.

- **Doctoral scholarships by José Carreras Leukämie-Stiftung and the GPOH**
Students of **medicine and related fields** can apply for the José Carreras-GPOH doctoral scholarships, if they are researching **leukemia and related blood disorders in children and adolescents** within the scope of their **dissertation**.
The **application deadline** is **November 30th 2024**.
Further information can be found [here](#).
- **Bilateral cooperation between Germany and the USA on the topic of ‘Computational Neuroscience’**
Researchers can apply for funding of either, **joint research projects** or **projects for the shared usage of data and other resources**.
The projects will be in cooperation with the *National Science Foundation (NSF)*, *National Institutes of Health* and the *Department of Energy*.
There will be a 2-step application process with the first deadline being November 13th 2024.
Further information can be found [here](#).
- **Software tool "NOMAD CAMELS" by FAIRmat**
‘CAMELS is suited for any researcher not wanting to deal with measurement orchestration and device communication while still having full control and sophisticated data and metadata saving’.

The newly developed **free Open-Source software** is able to document, analyze and categorize experimental data **without** the need of knowledge about **programming** and does so within minutes.
For further information and the installation guide access [here](#).

JOB openings.

- **Tender: Veterinarian (m/f/d) in the field of ‘Animal Models & Imaging’**
The *TRON gGmbH* is searching for Veterinarians that like to engage in research projects aiming to invent new, innovative **immune therapies**.
For more information you may access the application form [here](#).

If you are interested in a job at the University Medical Center Mainz, you are always welcome to check the UMC's website for [open job positions](#) (GER).

Please consult the **monthly Funding Options and Job Openings** ([see webpage](#))
for further awards, grants, and scholarship opportunities.

We look forward to assisting you. Please feel free to forward this newsletter to interested colleagues and friends.

Kind regards,
On behalf of Univ.-Prof. Dr. Hansjörg Schild
ViceDean for Research

Dr. Angela Clement, Dr. Susanne Hahn and Dr. Tsanan Heimann
