INFORMATION LETTER

VI International Interdisciplinary Scientific and Practical Conference “**MEDICAL AND BIOLOGICAL SCIENCES : INTERDISCIPLINARY ASPECT**”

Dear colleagues!

We would like to invite you to take part in the VI International Interdisciplinary Scientific and Practical Conference dedicated to the World Anatomy Day “**Medical and Biological Sciences: Interdisciplinary Aspect**”.

According to the “Register of congresses, symposia and scientific-practical conferences to be held in 2025” (UkrINTEI certificate No. 604 dated 02.09.2025), it will take place **on October 15—16, 2025** in the Kharkiv International Medical University.

The conference will be held **online** by the link

<https://us02web.zoom.us/j/89128514908>

Meeting ID: 891 2851 4908; Passcode: 2025 (start at 10:00 AM, October 15, 2025)

The scope of the Conference is highlighting the topical issues of interdisciplinary integration of medical and biological sciences in the actual researches and professional training of future medical professionals.

PROGRAM DIRECTIONS (SECTIONS) OF THE CONFERENCE:

1. Actual morphological methods and scientific technologies in medicine
2. Clinical, diagnostic, and pharmacological aspects of medicine
3. Digital technologies in medical science, practice, and education
4. An interdisciplinary approach to the training of future doctors in Ukraine and around the world

INFORMATION ABOUT THE CONFERENCE

Target audience: scientific and pedagogical staff of (higher) educational institutions, researches, young scientists and researchers, students, doctoral / post-graduate students, healthcare employees.

Official languages of the conference: English, Ukrainian.

Forms of participation in the conference:

- oral report (online);
- publication of an abstract;
- attendee / listener.

CONDITIONS OF PARTICIPATION

Participants receive the certificate, the program of the conference and the conference proceedings (digital versions).

Participation in the conference and publication of abstracts are FREE of charge.

REQUIREMENTS FOR ABSTRACTS

- 1. We are accepting abstracts that have not been published before, and have not more than three co-authors.**
- 2. Students’ abstracts are published only in co-authorship with scientific supervisors who hold an academic degree or title.**
- 3. General technical requirements:**
 - volume of abstracts in English or Ukrainian is 1—3 full pages;
 - file type – Microsoft Word (*.doc, *.docx);
 - page size A4, orientation – portrait, all margins – 2 cm;
 - font – Times New Roman, 14;
 - line spacing – 1.5 (without additional spacing before and after paragraphs), alignment of the body text – justified, first line indent – 1 cm, no indentation before and after text.
- 4. Abstract structure:**
 - first line: the abstract **TITLE** (capitalized, bold, centered);
 - next line: last name and initials of the author(s) (bold, centered);
 - next line: full name of the institution, city, country, e-mail (centered);
 - next line: the corresponding author’s e-mail (italic, centered);
 - after that from the new line main (body) text of the following structure: introduction, purpose, materials and methods, results and discussion, conclusions, bibliography (references) if necessary.
- 5. Other requirements:**
 - References in abstract text are to be made by citing the last name(s) and initials of one or two authors in round brackets and the year of publication following them. For example, (Smith A., 2022).

“**MEDICAL AND BIOLOGICAL SCIENCES :
INTERDISCIPLINARY ASPECT**”

- The list of references (if any) should follow APA format.
- All abbreviations (except measurement units) can be used only after mentioning the full term. Abbreviations are not allowed in the purpose and conclusions.
- All tables (if included) should be created and formatted in Microsoft Word. Each table must have a unique number and a descriptive title, for example, “Table 1. Characteristics of the study groups.” Avoid repeating information presented in the tables within the main text of your abstract.
- Any figures included must be clear, legible, and of sufficient resolution to maintain quality when scaled. Each figure should be numbered and have a descriptive caption, for example, “Fig. 1. Photomicrograph of the macropreparation.” If the figure is not the result of the author’s original research, the source must be cited in the caption. If artificial intelligence was used to generate the image, this should also be indicated in the figure caption.
- Use neither hyphenation, nor page numbers, in your abstracts.
- **File name structure:**
direction (section) number_ last name (of the first author)_ abstract title.
For example: 1_Baker A_Abtract Title.docx.

6. The authors of the abstracts are responsible for the content and accuracy of the submitted materials, and compliance with the requirements of academic integrity.

REQUIREMENTS FOR PRESENTATIONS

(please adhere to these requirements if you wish to have your presentation demonstrated by the conference organizers’ technical support team)

- The presentations are to be made in the Microsoft PowerPoint.
- The presentation is free of custom fonts, advanced animation effects, embedded audio and video.
- **File name structure:**
direction (section) number_ last name and _ initials of the speaker.
For example: 1_Wong_A.pptx.

INFORMATION FOR PARTICIPANTS

To participate in the conference, it is necessary to

1) fill out the registration form by the link:

<https://forms.gle/fHX8kK9W9FApZFvGA>

2) submit your abstract and presentation slides (if any) to
science@khimu.edu.ua (subject – “*conf October 15-16 2025*”)

until October 10, 2025.

Address of the organizing committee:

PIHE “KhIMU”, 38 Molochna street, Kharkiv, 61140, Ukraine

In case of questions, you can contact to

Maryna Nessonova ☎ +38(068)609 02 54 (Viber, WhatsApp, Telegram)

✉ m.nessonova@khimu.edu.ua

We would be grateful if you would distribute this announcement to your colleagues, who may be interested in attending the conference.

With hope for fruitful cooperation!
