

The **Mainz Research School of Translational Biomedicine (TRANSMED)** offers programs that train young medical and natural science graduates in basic and translational research to enable them to become future leaders in the fields of biomedicine and translational research, in academia, as well as in the pharmaceutical industry. **TRANSMED** is jointly run by four Faculties of the Johannes Gutenberg University Mainz (JGU): University Medical Center, Biology, Chemistry/Pharmaceutical Sciences/Geosciences, and Social Sciences/Media/Sports.

**TRANSMED** invites applications for a

### **TRANSMED Fellowship for Clinician Scientists (TV-Ärzte UM Mainz, Ä1, 50%)**

The fellowship is available for 24 months and mandatorily needs to be started on **January 1, 2025**. The other half of the salary has to be funded through the affiliated clinical department.

#### **We expect:**

- An excellent German State Examination and an outstanding MD degree
- A strong commitment to a career in science and medicine
- High motivation and strong interest in translational biomedicine
- An integrative and cooperative personality

#### **We offer:**

- An individualized structured curriculum combining clinical training and research experience
- Workshops in state-of-the-art research technologies and in transferable skills
- A comprehensive mentoring program with supervision by a team of advisors

TRANSMED is committed to equal opportunity and the compatibility of family and career. It therefore explicitly encourages applications from women.

#### **How to apply:**

- Please use the attached application form.
- The deadline for the submission of your application is **September 15, 2024**. Please forward your complete application (as a single pdf document) to [transmed@uni-mainz.de](mailto:transmed@uni-mainz.de).
- Applications should be addressed to the Academic Director of TRANSMED  
Prof. Dr. Julia Weinmann-Menke
- For further information, please contact Dr. Petra M. Schwarz, TRANSMED Managing Director, University Medical Center, Tel.: +49 6131 17-9149; E-Mail: [transmed@uni-mainz.de](mailto:transmed@uni-mainz.de), or visit our webpage at <http://www.unimedizin-mainz.de/transmed/>.
