

University Medical Center
of Johannes Gutenberg University Mainz
Department of Research and Teaching
Obere Zahlbacher Straße 63

55131 Mainz, Germany

Notes on this form

This form is not a substitute for an application accompanied by the standard documents. It is intended as a brief applicant profile to provide the appointment committee with a preliminary overview of your achievements.

The form can be edited as a Word file. Please do not add additional sub-items. You must comply with the specified structure of the document.

Save the completed document as a PDF file and send it to the following e-mail address along with your application documents:

bewerbung.um@uni-mainz.de
